

I am, **Maria Louisa**, a retired teacher of St. Mark's Boys' Town High School, was appointed by Rev. Bro. Vincent in 1970 and retired in 2004 during the tenure of Rev. Bro. Kuriachen. I served the school faithfully for thirty-four years. My teaching was at a time when classrooms looked very different from today, with chalkboards instead of smartboards, handwritten notes instead of digital slides. Yet through every change in curriculum, technology, and generation, one thing remained constant: a deep commitment towards the students and a genuine love for

teaching had an impact on them. Teaching the students was a joyful experience. The school was truly a home for me. Countless students walked into the classroom unsure of their abilities and walked out with confidence, knowledge, and inspiration that stayed with them for life. I am grateful to all the Principal Brothers, the staff, and the *students for making my journey so meaningful.*

Ms Maria Louisa

I am **Anees Fatima**, a retired teacher of St. Mark's Boys Town High School. I am proud to be a part of this esteemed Institution. This Institution has not only been a place of work but also a community where I have grown both professionally and personally. Every student whom I taught has left a lasting impression on me. I had the privilege of working with dedicated colleagues who are committed to the success of their students. Most importantly, teaching generations of students has been the most rewarding part of my experience. Still, I am in touch with many of my students who have been successful and are leading professionals globally. As I reflect on my journey in Boys Town, I am thankful for the trust placed in me and for the opportunities given to me. THANK YOU very much, BOYS TOWN. You hold a special place in my heart.

Ms Anees Fatima

My journey at Boys Town High School is one of quiet distinction and enduring purpose. Within its walls, knowledge is patiently refined into wisdom and character. Each lesson extends beyond the classroom, shaping minds grounded in discipline and integrity. As a teacher, I, Mrs Jyothi Wilson, witnessed growth not only in learning, but in values that endure. Boys Town High School stands as a testament to education guided by vision and service.

Ms Jyothi Wilson

I had the privilege of serving Boys Town High School (BTHS) for 37 years and Montfort Brothers of St Gabriel's to date, from my initial role as an LDC to my growth within this esteemed institution and management. Throughout my tenure, Boys Town provided me with invaluable opportunities to learn, evolve, and contribute meaningfully to the institution's administrative functions.

The management's consistent support and encouragement at every stage of my career have been instrumental in my professional growth. They fostered an environment where I could learn from my experiences, refine my skills, and achieve success.

Boys Town has instilled in me a deep sense of discipline, commitment, and dedication to my work. I have come to view work not only as a duty but as a form of worship, a philosophy that has deeply influenced both my personal and professional life.

I am profoundly grateful to the management, staff, and the entire Boys Town community for the guidance, opportunities, and growth I experienced over the years. I will always cherish my time here and remain eternally thankful for all that this institution has provided me.

Mr A Ramachandra Rao

My relationship with St Marks Boys Town HS goes beyond professional duty and is deeply personal. Since joining the institution in 1983, it has been my second home and an inseparable part of my life. After 35 yrs. My attachment to the school grew stronger with every academic year and every student taught. Boys Town shaped my values, discipline and commitment to education. My bond with students and colleagues brought lashing joy and fulfilment. The guidance of the management strengthened my sense of belonging. I look back with gratitude, pride and satisfaction. STMBTHS will always remain close to my Heart.

Ms. Ch Akhilandeswari

It was a great opportunity and pleasure to work at Boys Town HS. And I've completed my 33 years of service in Boys Town HS. I'm very thankful to all my near and dear Boys Town HS and ITC Brothers. Thank You!

P.A. Ramulu Goud

The days I worked in Boys Town are considered the Golden Days for me. Boys Town is always in the top position, securing 100 % in SSC. Indeed, it has great credibility. I am proud of Boys Town offering different Technical Courses. Training innumerable students giving job opportunities in life for well sustainability. I am really thrilled to work under the able leadership of Bro. Francis, Bro. Jose Vetti, Bro. Berchmans, Bro. K.M. Joseph, Bro. Thomas, Bro. Kuriachan Splendid! as it was a great opportunity for me to perform Burrakatha in the presence of Late Dr Y.S.R. Raja Shekar Reddy, the then Hon'ble. Chief Minister of Andhra Pradesh. As a whole, I had wonderful, unforgettable memories in Boys Town. I am indeed grateful and show my gratitude to all the Brothers of Boys Town Community.

K. Haranath

Dear all, I am glad to share a few lines about my experience at St. Mark's Boys Town High, Jahanuma, from June 1991 to July 2005 as a Grade 1 Physical Director. It was indeed a great & unforgettable experience and a platform for me to begin my career at this reputed Institution, under the able guidance of Montfort Brothers of St. Gabriel's and my senior colleagues. They have nurtured me into what I am today; I shall always remain indebted to them for the trust they had in me, turning a raw person into a mature teacher. In my 29th year journey as a Physical Educationist, 14 years at Boys Town had been the most memorable and the prime time of my career. I take the pride, pleasure and privilege of being a part of this magnificent Institution.

Dr Samuel Prabhu Kiran Gattu

I joined Boys Town School as a junior assistant and had the privilege of serving the institution for 30 years with sincerity and dedication. What began as a job slowly became a meaningful journey of service, discipline, and continuous learning. Working in an institution run by the Montfort Brothers instilled in me strong values such as responsibility, honesty, and commitment. I always believed that every duty, no matter how small, contributed to the growth of the institution. I am deeply grateful to have worked under the guidance of the Brothers and to have been part of an institution that shapes young lives. The relationships I built with Brothers, Colleagues, and students, along with the values I learned, will stay with me forever. I am especially grateful that even outside India, former students continue to come and meet me, reminding me of the lasting bonds formed through this institution. Boys Town School will always remain a special and unforgettable part of my life, and I carry its lessons with pride and gratitude

Ms Jayashree

In 1992, I arrived in Hyderabad with the simple goal of finding a position as a Mathematics teacher. By what felt like a stroke of serendipity, I found myself at Boys' Town High School. What I didn't realise initially was that I wasn't just joining a school, but the "Large Joint Family." What struck me most over my three decades was the institution's unique ecosystem. The management, my fellow teaching and non-teaching colleagues, and the support staff functioned as a cohesive unit. This sense of belonging created a "comfortable zone" that allowed me to flourish, feeling like a member of a community rather than just an employee. Teaching as a Two-Way Street-For the Students: I strove to provide a solid foundation in Mathematics, helping them unlock future opportunities. For the Parents: My greatest reward was witnessing their pride as they watched their children succeed and grow into capable individuals. To have spent over three decades in one place is a testament to the deep-rooted bond I shared with Boys' Town. My deepest gratitude goes to every individual who walked this path with me.

Ms K. J. Jannet.

Dear colleagues and esteemed Boys Town family, As I stepped away from the esteemed institution after 24 incredible years, my heart overflowed with gratitude and cherished memories. What began as a calling to teach has blossomed into a lifelong tapestry woven with curiosity and triumph—moments that have defined my purpose and joy. From the innocent, stumbling graders, I have witnessed the growth of young students with immense pride. To my colleagues and friends, we navigated challenges, celebrated victories, and discovered the boundless wonders of knowledge. I will cherish every moment spent at Boys Town.

Dear brothers, your unwavering support and shared passion have made every day a ...privilege. Boys Town is more than bricks and books; it is a family that understands and continues to uphold the values of kindness, perseverance, and lifelong learning.

I thank God the Almighty and the Boys Town community for allowing me to be a part of this great story. I will forever treasure it.

Ms Jyothi Reddy

Initially, I had apprehensions about working in the Old City of Hyderabad. Actually, I applied for a vacancy in St. Paul's, and later I was told that I had to work in Boys Town. However, once I joined Boys Town School, all my fears disappeared. I worked at Boys Town School in the Old City of Hyderabad for 17 years, and it was one of the most meaningful phases of my career. It was a highly respectable and comfortable workplace where I always felt safe and valued. During my tenure, I had the privilege of teaching underprivileged children. It gives me immense satisfaction to see so many of my former students now well placed in life, serving in government jobs and other respectable professions. Some have become police officers, entrepreneurs, principals, and airport staff. Their success stories reflect the positive impact of education and the dedication of the institution. My experience at Boys Town School was truly enriching, and it taught me the value of service, commitment, and transforming lives through education. Later, I went on to work in Bangalore and Delhi as Principal and Coordinator. I give much of the credit for handling those responsibilities with confidence and ease to the valuable experience, exposure, and strong foundation I gained at Boys Town School. Boys Town will always remain my first love.

Ms Rajini

Reflecting on my 26 years at Boys Town School, I am reminded of the enduring purpose and privilege of shaping young minds. Those years remain among the most meaningful chapters of my life. I witnessed the institution grow in its mission, excellence, and vision while remaining committed to nurturing every child. Though much has changed over the decades, one thing never did—the joy of watching children grow from hesitant learners into confident young individuals. The privilege of teaching students who persevered, learned, and succeeded was the most rewarding aspect of my career. My colleagues enriched my journey with their support,

camaraderie, and the many memories we created together. I remain especially grateful to the Brothers whose steady guidance made each day purposeful. Boys Town has always represented more than a physical space; it is an environment built on values, imagination, and the shaping of young minds. I thank God and Boys Town for allowing me to contribute to such a distinguished institution, and the lessons, relationships, and memories continue to inspire me

Ms Jyothi Singh
